He is the authority for the score. It is his duty to see that the men keep their positions, and to be on watch for unfair play.

The *UMPIRE* stands behind the defending side. He signals fouls, authorizes substitutions, and watches for any unfair interference with play. Rulings as to offside comes within his province.

The *HEAD LINESMAN* on the sidelines, with his two assistants, marks the distances gained or lost in the progress of play. He designates the position of the ball on each down, and watches for offside play.
